Product Description

Cut 44" Wide in Ride-On Comfort!

The PREMIER 44T is our most basic tow-behind brush mower. It is powered by a 10.5 HP Briggs and Stratton OHV engine and will take down thick grass and brush up to 3 inches in diameter. Tow it with your ATV or UTV for fast and easy land clearing—up to one acre per hour. Note: the PREMIER does not include the remote control found on other tow-behind models. Starting and blade engagement must be performed from the control box on the mower.

Product Summary

- 10.5 HP Briggs Electric-Start Engine
- 44" cutting width.
- Mows up to 1 acre per hour
- Tow Vehicles: ATV, UTV, Tractor
- Floating deck rides over obstacles
- Mows outside wheelbase
- Mulches everything
- Pivoting blades

Warranty Coverage

- Machine: 2 years residential; 90 days commercial
- Engine: 2 years residential; 1 year commercial

Features

Floating Deck The deck is suspended from the frame, allowing it to ride up and over high points, minimizing

scalping and protecting the drivetrain from damage.

Assembled in the USA Assembled in the USA using foreign and domestic parts. Ships direct from our Wisconsin factory.

10.5 HP Briggs & Stratton Engine The legendary power, performance and durability of Briggs & Stratton® engines make them a great choice for the Tow-Behind Field and Brush Mower. The PREMIER 44T 10.5 HP model uses a durable 344 cc Overhead Valve electric-starting Briggs engine with cast-iron cylinder sleeve.

No-Tools Height Adjustment Choose your mowing height—from 4" to 7.5"—with two easy-turning hand cranks.

Pivoting Blades Unique swinging blades pivot when hitting an immovable object, to protect the mower's blade, spindle and engine.

Chain Debris Guard Similar to the debris shields used on commercial roadside mowers, this guard stops material from flying forward

Mows Outside Wheelbase The mowing blade extends outside of the wheels—so you can mow right up next to fences, walls, hedgerows and other obstacles without interference.

The mowing blade extends outside of the wheels—so you can mow right up next to fences, walls, hedgerows and other obstacles without interference.

44" Mulching Deck The 44" mowing deck is enclosed on 3 sides, so cut material is chopped and re-chopped, leaving windrows behind.

Outrigger Tow Bar The 2-piece tow bar allows for offsetting the mowing deck to the left or right...or you can mow right behind your tow vehicle.

Mow up to 1 acre per hour! Mowing times will vary with conditions (density of growth and features of terrain), but hooked up to your ATV the DR 10.5 HP Tow-Behind can clear as much 1 acre per hour — while you ride in comfort!
