Product Description

Generac 6500 With COsense 49ST Portable Generator - 7680

Generac's GP6500 COsense® 49ST portable generator offers **PowerRush™ Advanced Technology**, which delivers more than a 40% increased starting capacity* allowing you to do more with less. Generac's OHV engine and large-capacity steel fuel tank ensures extended engine life and run times, while the steel tube cradle provides added strength. The low-oil feature protects the generator from damage. The GP6500 COsense® 49ST can be easily transported across rough or difficult terrain with the heavy-duty wheels and easy fold-down handle. Even maintenance is a breeze, with the hour meter keeping track of necessary upkeep at regular intervals.

Features:

- **Featuring PowerRush™ ADVANCED TECHNOLOGY** - Delivers over 40% more starting capacity allowing you to do more with less.*
- **Generac's durable OHV engine** with splash lubrication provides a long engine life.
- **Large-capacity steel fuel tank** with incorporated fuel gauge provides durability and up to a 10.5 hour run-time at 50% load.
- **Low-oil level shutdown** automatically safeguards engine from damage.
- **1 1/4" steel-tube cradle** for added durability and strength.
- **Hour meter** tracks maintenance intervals.
- **Heavy-duty, never-flat wheels** allow for easy portability.
- **Fold-down handle** for sturdy portability and compact storage.

*Increases electrical current upon demand above rated output when starting electric motors.
