Product Description

Generac 2500i With COsense 50ST Portable Inverter Generator - 8251

The GP2500i inverter generator provides outdoor enthusiasts with a portable power solution designed for a variety of open-air festivities. From weekends in the woods to outdoor cookouts and get-togethers, these models provide the stable power you need without disturbing neighbors or surrounding wildlife.

Using TruePower™ Technology, the GP2500i produces the clean power required by a variety of sensitive electronics, tools and appliances. Compact and fully-enclosed, its lightweight design makes transportation easy, and its Economy mode feature also reduces fuel consumption rates and noise emissions to operate quietly for extended periods of time.

Whether you're tailgating for the big game or simply want to enhance your campsite experience without disrupting the environment around you, Generac's GP2500i inverter generator is right for you.

Quiet and neighbor friendly, fully enclosed design dramatically reduces noise levels

TruePower™ Technology provides clean, stable power ideal for sensitive electronics, tools and appliances

COsense® Technology: STOPS. ALERTS. SAVES. Powerful protection against hazardous carbon monoxide.

Compact and lightweight makes transportation easy with built-in handle

Economy Mode automatically adjusts engine speeds to save fuel and reduce sound emissions

Integrated Off/Run/Choke Knobs simplifies startup procedures

LED Indicators alert you when unit is low on oil, overloaded or ready-to-use

USB ports to charge mobile devices

Parallel Ready allows you to connect two GP2500i inverter generators for twice the power

Low-Oil Pressure Shutdown - Automatically safeguards engine from damage

Covered outlets provide added protection from the environment
