Product Description

Toro GrandStand® 60" 28 HP 883cc EFI - 72525

- Take on the toughest cutting conditions with an upgraded 34.5 hp* Kawasaki EVO 822cc engine.
 - Transform your GrandStand MULTI FORCE into an all-season powerhouse with 10+ attachment options.
 - Get fast access for maintenance with the included service stand attachment.
 - Adjust the baffle to optimize airflow based on your mowing conditions for peak performance.
 - Reduce turf stress with wider casters that prevent compaction and support a more even cut.
 - Redefine cut quality with the TURBO FORCE® deck—built for durability and a flawless finish.
 - Convert quickly from ride to walk-behind while saving space with the foldable platform.
-
